Preparing and Selling Your Home for Top Dollars

- > Remodeling and Marketing for most return on investment
- > Cost-effective renovation
- > Importance of staging, professional photography and social media marketing
- > Simple remodels of your rental property to increase its market value

Mei Yang
Broker

Global Real Estate Advisor

- > Real estate investor for 17 years, broker for 12 years
- > One of the top brokers with Realogics Sotheby's International Realty

Dennis T. Su
Architect

- > Developed own properties as developer
- > Volunteered in many community design projects such as the \$7 million Kin On Expansion

How do you remodel and package your home at a cost-effective way to match with the expectation of today's residential home buyers or renters.
